Sir:

Greetings of peace!

The Schools Division of Imus City, through the Curriculum Implementation Division, will conduct the **Division Conference on Curriculum-Integrated Science Investigatory Projects and International Science Fair Standards Alignment on February 25-27, 2026** at Imus Pilot Elementary School. This conference aims to strengthen the competencies of both learners and teachers in implementing Science Investigatory Projects (SIPs) aligned with DepEd guidelines and compliant with recognized international science fair standards.

In line with this, the activity entails highly competent and skilled resource speakers who will deliver specialized sessions in the following areas: Life Science, Physical Science, Physical and Robotics Intelligent Machines, Mathematics and Computational Science and Science Innovation. Their expertise is expected to provide in-depth insights and practical guidance to enhance the quality and further strengthen the implementation of Science Investigatory Projects (SIPs) across schools.
